Iron stone  
Dark Iron stone  
Silt stone  
Rose stone

- Note:-** Sleeper thickness is nominal, due to the manufacturing process, some variation may occur.
- A minimum of 120 x 65 steel is suggested for walls up to one metre high.
  - All sleepers engineered to AS 4678 Earth Retaining Structures and AS 3600 Concrete Structures standards
  - Only Australian steel is used in the reinforcing.
